1. Certain Definitions. For purposes of this Agreement, (i) the term "Evaluation Material" shall mean any and all information concerning the Company or any of its affiliates obtained by you or your Representatives (regardless of whether obtained on or after February 8, 2024 in connection with your evaluation of the Transaction and irrespective of form or medium of communication, including all written, oral and electronic communications and all information posted in any electronic data room, and any information which you or your Representatives otherwise learn or obtain through observation or analysis of such information, together with such portions of notes, analyses, reports, models, projections, compilations, studies, interpretations, documents or records to the extent containing, referring, relating to, based upon or derived from or showing any such information, in whole or in part; (ii) the term "Representative" shall mean, with respect to any person, such person's affiliates and its and its affiliates' respective directors, officers, employees, general partners, agents, advisors (including, without limitation, financial advisors, attorneys, accountants, consultants and insurers) and representatives of the foregoing and for the avoidance of doubt, the term "Representative" as applied to you shall not include any debt or equity financing sources (including existing limited partners not independently evaluating the Transaction as a principal), investors, co-investors, or co-bidders or any other person in a "clubbing" arrangement, in each case, unless approved in advance by the Company in writing (email sufficient), at which time such debt or equity financing sources (including existing limited partners not independently evaluating the Transaction as a principal), investors, co-investors, co-bidders or other persons shall be deemed to be "Representatives" hereunder) it being agreed that, with respect to you, such term shall cover only those persons that receive Evaluation Material (or access thereto) from you or on your behalf; (iii) the term "person" shall be broadly interpreted to include any corporation, partnership, company, limited liability company, trust, association, joint venture, government or self-regulatory agency or body, group (as such term is used in Rule 13d-5(b)(1) of the Securities Exchange Act of 1934, as amended (the "Exchange Act")), individual or other entity; and (iv) the term "affiliate" shall have the meaning ascribed to such term in Rule 12b-2 under the Exchange Act.

Notwithstanding the foregoing, the term "Evaluation Material" does not include information that (i) is generally available to the public other than through a disclosure in violation of this Agreement by you or your Representatives, (ii) was already within your or your Representatives' possession prior to disclosure hereunder from a source other than the Company or its Representatives, (iii) is received by you or your Representatives from a source other than the Company or any of its Representatives, provided that such source is not known by you to be subject to an obligation of confidentiality to the Company with respect to such information; or (iv) is independently developed by you or your Representatives without reference to the Evaluation Material and without violation of this Agreement.

2. Use and Disclosure of Evaluation Material. You hereby agree that you and your Representatives shall (i) use the Evaluation Material solely for the purpose of evaluating, negotiating and, if applicable, consummating the Transaction and not for any other means or purpose and (ii) not disclose any of the Evaluation Material in any manner whatsoever without the prior written consent of the Company; provided, however, that you may disclose the Evaluation Material to your Representatives who (a) need to know the Evaluation Material solely for the purpose of evaluating, negotiating and, if applicable, consummating the Transaction and (b) are informed by you in advance of the confidential nature of such information and are directed to comply with the terms of this Agreement applicable to Representatives. You agree to (x) undertake commercially reasonable precautions to protect the confidentiality of the Evaluation Material, (y) be responsible for any violation of the terms of this Agreement applicable to your Representatives (or any directions provided hereunder) by any of your Representatives (in addition to and not in limitation of any right or remedy the Company may have against such persons, and provided that you shall not be responsible for any Representative that executes a confidentiality agreement directly with the Company in connection with the Transaction), and (z) take commercially reasonable measures to prevent your Representatives from prohibited or unauthorized disclosure or use of the Evaluation Material or from breaching or threatening to breach any other provision of this Agreement.

You further confirm that neither you nor your Representatives have, directly or indirectly, had any discussions or negotiations with any persons other than solely between and among your Representatives regarding the Transaction and have not entered into, directly or indirectly, any agreements, arrangements or understandings with any person (other than your Representatives) with respect to the Transaction. Without limiting the generality of the foregoing, without the Company's prior written consent, you shall not enter into any discussions, negotiations, agreements, arrangements or understandings with, provide or make available any Evaluation Material to, or exchange information regarding a Transaction with, any debt or equity financing source, any actual or potential co-investors, or co-bidders. Furthermore, without the Company's prior written consent, you shall not (i) enter into any agreement, arrangement or any other understanding with any potential debt or equity financing source or sources which may reasonably be expected to limit, restrict, restrain or otherwise impair in any material respect, directly or indirectly, the ability of such debt or equity financing source or sources to provide financing or other assistance to any other party in any other transaction involving the Company (*provided*, however, that your financing sources and financial advisors that are your Representatives may establish a "tree" system whereby separate groups or "trees" will be formed and dedicated to you, and each other party, respectively, involved in the Transaction) or (ii) contact or hold any discussions regarding the Evaluation Material, the Transaction or the Company with any known (after reasonable inquiry) customer, vendor, supplier, creditor or security holder of the Company (each, a "Restricted Party") or knowingly and intentionally use Evaluation Material to solicit, induce or encourage any Restricted Party to terminate or reduce its relationship with or refrain from renewing or extending its contractual or other relationship with the Company or its controlled affiliates, or to otherwise interfere with the business relationship of the Company with any Restricted Person in connection with the Transaction, the Evaluation Material or the Company. For the avoidance of doubt, the foregoing shall not restrict you or your Representatives from: contacts made in the ordinary course of business and unrelated to the Transaction or Evaluation Material. The Company acknowledges that your review of Evaluation Material may inevitably enhance your knowledge and understanding of the Company's industry in a way that cannot be separated from your other knowledge and the Company agrees that, without limiting your obligations under this Agreement, this Agreement shall not restrict your use of such overall knowledge and understanding of the Company's industry for your own internal purposes, including the purchase, sale, consideration of, and decisions related to other investments and serving on the boards of such investments in such industries.

4. Transaction Information. Subject to Paragraph 7, you agree that neither you nor your Representatives shall disclose, directly or indirectly, to any person (other than your Representatives who (a) need to know the Evaluation Material solely for the purpose of evaluating, negotiating and, if applicable, consummating the Transaction and (b) are informed by you in advance of the confidential nature of such information and are directed to comply with the terms of this Agreement applicable to Representatives), without the prior written consent of the Company, that (i) you have entered into this Agreement, (ii) the Evaluation Material exists or has been made available to you and your Representatives, (iii) the Company or its Representatives are considering or may pursue a transaction

involving the Company with you or any other parties or (iv) discussions or negotiations may take, are taking or have taken place concerning the Transaction or any other transaction involving the Company or any of the terms, conditions or other facts with respect thereto (including the status thereof) (collectively, the "Transaction Information", which shall be deemed to be Evaluation Material). Except as required by applicable law, rule, regulation or legal process, without your prior written consent, the Company and its Representatives (including the Financial Advisors) shall not identify you or your affiliates by name or by identifiable description in connection with the Transaction or disclose that you have entered into this Agreement or that you are involved in discussions or negotiations concerning the Transaction to any person, other than a Representative who reasonably requires access to such information.

5. No Unauthorized Contact. You agree that all (i) contacts or communications by you or your Representatives with the Company or its Representatives regarding the Evaluation Material or the Transaction, (ii) requests for additional Evaluation Material, (iii) requests for facility tours or management meetings and (iv) discussions or questions regarding procedures shall be made only through Canaccord Genuity, LLC (the "Financial Advisor") or as the Financial Advisor or the Company may otherwise direct in writing. 6. Non-Solicitation and Non-Hire of Employees. You agree that for a period of eighteen (18) months from the date of this Agreement, you shall not, and shall cause your affiliates that receive Evaluation Material from you or on your behalf, not to, directly or indirectly, solicit or cause to be solicited for purposes of employment, offer to hire, engage as a consultant or otherwise enter into any contract with, entice away, or hire any officer or senior member of management of the Company; provided, however, the foregoing provision will not prevent you and such of your affiliates from soliciting, entering into discussions with, employing, hiring, engaging as a consultant or entering into any contract with any person: (i) who responds to general advertising or a general solicitation in any medium not targeted to the employees of the Company, (ii) who is contacted by a recruitment agency (provided that you and your Representatives did not identify any employees of the Company to such recruitment agency or otherwise instruct such agency to target any employees of the Company), or (iii) who has not been employed by the Company for a period of at least six (6) months at the time of such solicitation, hiring, employment or engagement.

7. Required Disclosure. In the event that you or your Representatives are required ("Legally Required") by applicable law, rule, legal process, regulation, order or decree to disclose all or part of the Evaluation Material or any Transaction Information, you agree to (i) to the extent permitted by such applicable law, rule, legal process, regulation, order or decree (and where reasonably practicable) promptly notify the Company of the existence, terms and circumstances surrounding such requirement in order to enable the Company (at the Company's expense) to seek an appropriate protective order or other remedy or waive compliance, in whole or part, with the non-disclosure terms of this Agreement as to such required disclosure; (ii) use commercially reasonable efforts to consult and cooperate with the Company to the extent permitted by law with respect to taking legally available steps to resist or narrow such request and exercise commercially reasonable efforts to pursue any such steps at the Company's request (in which case the Company shall reimburse you for all reasonable out-of-pocket expenses incurred in connection therewith); and (iii) in the absence of a protective order, disclose to such court or governmental body only such portion of the Evaluation Material or Transaction Information which upon the advice of counsel (internal counsel being sufficient) is Legally Required to be disclosed and exercise commercially reasonable efforts to obtain an order or other reliable assurance that confidential treatment will be accorded to such portion of the disclosed information which the Company so designates. For the avoidance of doubt, the term Legally Required shall not include any requirement or other obligation by you to disclose any Evaluation Material or any Transaction Information (x) by virtue of the fact that, absent such disclosure, you would be prohibited from purchasing or selling securities of the Company or any derivative instrument related thereto (including any disclosure document related thereto under applicable securities laws and regulations) or (y) that you or your affiliates would be unable to file any proxy or other soliciting materials, in each case, in accordance with applicable securities laws and regulations. For the avoidance of doubt, notwithstanding any disclosure to such court or governmental body of Evaluation Material or Transaction Information pursuant to this Paragraph 7, you and your Representatives will continue to be bound by your obligations

under this Agreement with respect to such information for the term hereof. Notwithstanding the foregoing or anything else to the contrary, you and your Representatives shall not be required to give notice to the Company, and shall not be prohibited from disclosing Evaluation Material or Transaction Information, to the extent such requests or requirements originate from a bank examiner, regulatory authority or self-regulatory authority in the course of a broad or routine audit or examination that is not specific to the Company, the Evaluation Material, the Transaction Information or the Transaction.

8. Return or Destruction of Documents. At any time upon the written request of the Company for any reason, you will (and you will direct your Representatives to) promptly cease all further use of the Evaluation Material and promptly either (i) destroy all copies of the Evaluation Material in your possession or control or (ii) deliver to the Company at your own expense all hard copies of the Evaluation Material; provided that (x) you and your Representatives shall not be required to delete, erase or destroy any Evaluation Material contained in an archived computer backup system stored as a result of automated backup procedures in the ordinary course (it being agreed that you and your Representatives shall not access such archived computer files containing any such Evaluation Material after such delivery or destruction is otherwise required, except as may be required by information technology, legal and regulatory compliance personnel in the ordinary course performance of their respective job duties), and (y) you and your Representatives may retain copies of the Evaluation Material (in electronic or paper form) as required pursuant to applicable law, rule, legal process, regulation, order, decree or *bona fide* internal document retention and compliance policies and, with respect to your Representatives who are law firms, accounting firms or financial institutions, such firms and institutions may keep copies of the Evaluation Material if required by *bona fide* policies and procedures implemented by such firms and institutions in order to comply with applicable law, regulation, professional standards or reasonable business practice, provided, further, that in the case of Evaluation Material retained pursuant to (x) and (y) above, and notwithstanding any other provision of this Agreement, you and your Representatives shall continue to be bound by the confidentiality, non-disclosure and non-use terms of this Agreement with respect to such retained Evaluation Material in accordance with the terms hereof (and in no event longer than four (4) years from the effective date of this Agreement). In addition, upon receipt of a separate written request from the Company, you shall confirm in writing (email being sufficient) that you have complied with your respective obligations under this Paragraph 8 (and you shall direct your Representatives to do the same). Notwithstanding the destruction or return, as applicable, of the Evaluation Material, you and your Representatives will continue to be bound by your confidentiality and non-disclosure and other obligations hereunder for the term hereof.
